

## Utah's premier case management agency

SINCE 2007

## Who we are?

We saw a need and desire within the disabled community to live their lives as independently and with as much autonomy as possible. This is when we became a New Choices Waiver case management company as Advocates for Independence!

As your advocate, we work closely with you and your family to ensure we find the best location for you to live that still allows you to be you! We understand the desire to be in a place you feel comfortable, eat the foods you like and participate in the hobbies and activities you enjoy.

We will guide you through, the often complex, social services network.

Let us help you be you, in a safe, clean and supportive environment!

Advocates for Independence can coordinate all of the services provided by the New Choices Waiver.

### We will be there to help you:

- Fill out forms
- Apply for Medicaid
- Apply for food stamps
- Schedule doctors appointments
- Assist in transportation
- Facilitate shopping and social activities
- Ensure you have the support you desire
