- F. The state includes an indicator in the Medicaid Management Information System (MMIS)
- G. The state includes an indicator in the Eligibility and Enrollment System
- H. The state includes an indicator in the Eligibility Verification System
- I. Providers may verify a members copay requirements at: <https://medicaid.utah.gov/eligibility>.
- J. The State applies incurred-cost sharing to the aggregate limit when claims are submitted for dates of service within the current monthly cap period. Once the aggregate limit is reached, cost-sharing liability stops.

For households that may have paid copays in excess of the aggregate limits:

- The member contacts a Utah Medicaid health program representative noting the out-of-pocket amounts paid.
- Medicaid staff verifies the amounts based on paid claims.
- Medicaid staff enters the household as exempt from cost sharing for the duration of the limit period.
- Medicaid staff will initiate, as appropriate, a reprocessing of the claim(s) that made the household exceed the aggregate limits.
- Medicaid staff will work with impacted providers to ensure the household is reimbursed for copay differences that were paid by the household.

- K. Medicaid members described in 42 CFR 447.56(a)(1) are exempt from copayment requirements.
